

# Jaymin Bhuptani

Founder & Chief Executive Officer (CEO) at Uplers

Jaymin is a serial entrepreneur and is driven to create opportunities by building scalable businesses. He believes that the purpose of a business is to uplift everyone associated with the business - it's people, customers, partners, society, nation & world at large.

At Uplers, he leads the overall brand vision and direction. Uplers is on a mission to create amazing global, remote & flexible job opportunities for Indian talent to help them uplift their career.

Jaymin focuses rigorously on enhancing the overall platform market fit, value maps for both clients & talents as well as overall platform growth & experience.

He's a proud father of two naughty kids. He loves reading, traveling & biking in his personal time.
